About Me:

I'm 21 years old, currently studying full-stack developer in CoderHouse. I'm a really proactive and curious person who's always trying to learn new things, accomplish new challenges and grow little by little everyday. I'm looking foward for my first experience as a Front-End Developer.

Education:

- **Web Developer**
  Coder House.
  July 2021- September 2021
  Final Proyect: Celushop
- **Full-Stack developer.**
  Coder House
  2021-.

Skills:

- HTML
- CSS
- JavaScript
- Bootstrap
- Git
- GitHub
